Dear Sir/Madam

**SCOTTISH TRUNK ROAD NETWORK MANAGEMENT CONTRACT – SOUTH EAST UNIT  
A720 HERMISTON EASTBOUND ONSLIP RESURFACING SCHEME**

BEAR Scotland, acting on behalf of Transport Scotland, is planning to carry out resurfacing and drainage works on the A720 at Hermiston Eastbound Onslip.

The works have been provisionally programmed to commence on Tuesday 11<sup>th</sup> October 2022 for a duration of seven nights between the hours of 20:30 and 06:00 each night. The works are planned to be undertaken on the night of Tuesday 11<sup>th</sup> October to the night of Friday 14<sup>th</sup> and then returning on the night of Monday 17<sup>th</sup> for a further 3 nights, with no works on Saturday or Sunday nights.

To ensure the safety of the workforce and members of the travelling public it is necessary to close the slip road during working hours. A signed diversion will be in place with traffic wishing to join the A720 Eastbound from Hermiston Gait/ M8 diverted via Gogar roundabout. Please see the attached diversion layout for clarity.

Access for emergency vehicles will be maintained at all times and all traffic management will be removed out with working hours.

If you require any further information or would like to comment on any of the proposed works please do not hesitate to contact by email at [SEConsultationroads@bearsScotland.co.uk](mailto:SEConsultationroads@bearsScotland.co.uk)

Yours faithfully,  
For **BEAR Scotland Limited**
